Holder: Oras Ltd.

CONTROL 05/04/2019**Instructions for control**

Production Control must be carried out in accordance with instructions for control dated 05/04/2019

Annual reporting:

The type approval validity presupposes that Factory Production Control (FPC) takes place in accordance with the inspection instructions and that the holder meets the requirements for supervisory control annually. The holder shall report annually to Kiwa Sweden on the production control carried out.

Construction supervision:

At the construction site, checks must be carried out by identifying the product with the aid of approval marking and checking that the product is installed according to the manufacturer's instructions.
