-

Boverket's registered trademark no. 241 217:

Certification Body:

Kiwa Certification Sverige AB

Accreditation number:

1913

Type Approval no:

1446

Inspection Body:

Kiwa Sverige

CERTIFICATE

Factory production control

The manufacturer's self-monitoring is surveyed by an accredited Inspection Body.
Inspection Body: **Kiwa Sverige** Control agreement: **1168/17**

Factory production control must be carried out to a large extent in accordance with the manufacturer's inspection instructions.

During check at the construction site, the Contractor must verify the identity of the product through the marking. Furthermore, the client must ensure that the correct products are delivered and that they are installed in accordance with the manufacturer's instructions in the accompanying documents. It must also be checked that the product is accompanied by a manufacturer's declaration certifying that manufacturing has been carried out in accordance with the documents which formed the basis for this type approval.

The validity of the Swedish Type Approval also implies that the Factory Production Control takes place according to agreement **1168/17** and that the holder annually fulfils the requirement in Boverket's regulation BFS 2013: 6, § 5 (TYP 7), on continuous Factory Production Control. The holder must annually report on the result of the surveillance of the Factory Production Control, conducted by the designated Inspection Body, by e-mail to Kiwa Certification on December 15th the latest. se.bygg@kiwa.com.

Basis of the approval

Test Report SKZ 124447/17

Notes or remarks

The bath/shower mixers are verified in accordance with EN 817:2008

Type approval is valid provided that the product is not to be CE marked according to the Construction Product Regulation, (EU) no. 305/2011 (CPR), or has been suspended or withdrawn by Kiwa Certification Sweden.

Date of decision: 2019-10-08

Registration number: 215/19

Valid until: 2022-11-19

Previous registration number: 1120/17
